

### Bassett Named Assistant Mgr. Of TV Store

JACK BASSETT Promoted

Jack Bassett, well-known in this area for his championship bowling, has been named as assistant manager of the Torrance Tee Vee, local television and appliance store, according to Charles Reed, owner.

Bassett although he is known to many as a television sales representative, is perhaps better known for his championship calibre bowling. He captured the \$1000 sweepstakes award in the Long Beach Virginia Classic in 1948 and holds the house record at the Torrance Bowl at 757 for high series in league competition. He has been with the firm at 1620 Cravens avenue for more than a year.

### Hi-Lites Of Seaside Heights

By GRAYCE RYCKMAN AND MERLE HOLSTIN  
FRontier 5-1779 or FRontier 5-3718

The big variety show at the Torrance Auditorium on June 1 was really good. The Heights were well represented too. Your two columnists saw Mr. and Mrs. Lundstrom, Mr. and Mrs. Bob George, Mrs. Jack Milson, Mrs. W. Sokolowski and Tommy Mr. and Mrs. Wilkerson and grandson Jerry, and know we must have missed many. Bernice Cowan and Dee Callahan handled the lighting; Jan Darian, producer, danced, and to top it all, our own mailcarrier Earle Sumpter played the part of himself, delivering mail to all the wonderful performers.

Frank Callahan of Bindewald flew to Chicago last week. His grandmother passed away.

Mr. and Mrs. Joe Johnson got away from it all a short time ago. They went up to Big Bear and simply rested. Son Bobby went with them.

The Brownie Scouts had their big night May 31. At an evening party they received their pins and pendants and gave the gifts they had made to their folks. Their leader, Grayce Ryckman, then presented all 19 Brownies with a World Pin denoting world unity of all Scouts. Mrs. Paul Roettger and Mrs. William Schmitz served refreshments. Mrs. Anderson played the piano.

Mr. and Mrs. Norman Cowan have Dale Fannhill, nephew, of Vancouver, Washington, as guest for a month or so.

Jo Jurisich, 5225 Bindewald, has spent two weekends in Los Angeles at the 17th Annual Bridge Tournament. And imagine how good she is, she came in fourth place Saturday, May 26. Of course there were only about 300 tables playing.

More talent discovered. At a PTA Council breakfast last Friday two young girls from Torrance High School played duo piano. It was beautifully done. And guess who one of them was? Our own Judy Yeltema, of 5214 Zakon road.

Your two columnists attended a "Welcome Wagon" party last week and met many newcomers to Torrance and also two other local columnists, Mrs. Betty Mitchell of WALTERIA News Notes, and Mrs. Virginia Jones of KETTER Kapers. All of us had a grand visit with Torrance merchants and a luncheon at Mrs. Doris Carl's (Torrance Welcome Wagon director) apartment.

Have you been concerned about getting your children into Sunday school since you moved here. In the WALTERIA Park Building, the Methodist Church of Torrance is sponsoring a Community Methodist Sunday School and Church. Sunday School starts at 9:45 a.m. and Church at 11 a.m. All denominations are welcome and a car pool from the Heights could be organized.

Mr. and Mrs. Robert Hite of

Zakon road welcomed a 5 pound 8 oz. boy into their family on May 18th. Both Mother and son named Richard, had a bad time for awhile, but the danger is past and both are now at home.

Rebecca Bredrosian, also of Zakon, has run to misfortune recently. If you recall, she was the little girl bitten by the dog who later disappeared. But he was found and she came through that. Now it's the measles—a very bad case. We wish you quick recovery and a better future.

Karen Dahlman of Vanderhill road was a very lucky girl last Sunday. She had a grand trip to San Diego and had the chance to visit the famous zoo while there.

The Floyd Holstin family also went to San Diego last week. This was a hello and goodbye visit. Hello to the girl that Merle's brother just married, and goodbye to the bridegroom, who is due to leave the States this week—submarine duty.

Juanita Panick has been very sick with the flu, but we are pleased to add, she is on the road to recovery.

Mrs. Bob O'Melia of Vanderhill is also recovering from a short stay in the hospital. Scenes Bob really had a work out with Terry, age 1, while she was gone too. We might add him to our list of "Recovering".

From time to time we will try to give some of the statistical information on Torrance that the Chamber of Commerce has compiled. First, of course everyone asks the population. U.S. Census of 1940 was 9,950. Estimated population on January 1st, 1951—27,987.

### Torrance Sailor Aboard LST 914

James L. Harner, engineman first class, husband of Mrs. Margaret Ann Harner, of 3322 Danaha street arrived in San Diego May 26 aboard the Pacific Fleet Amphibious Force tank landing ship USS LST 914, after serving for more than ten months in Korean waters.

His ship sailed to Japan last year to train elements of the Eighth Army in amphibious landings. Shortly after arriving there, the Korean conflict began and the LST 914 was launched into combat.

The ship carried assault troops and equipment from Kobe, Japan to the Inchon landing on September 15. In October, she participated in the assault landing at Wonson, and in late December the historic redeployment of United Nations troops and equipment, and North Korean refugees from the North Korean port of Hungnam.

FIRST FRUIT TREES  
First fruit trees were sent to Quebec in 1608.
